ILUKA RESOURCES is a major participant in the global mineral sands sector and is involved in the sales and marketing of titanium based products and zircon. Headquartered in Perth, we have existing operations in Western Australia, Victoria, South Australia and the USA. Due to expansions at our current operations, opportunities exist for three (3) experienced Electrical Trades people to join Iluka’s South West Operations, working on a continuous 12 hour shift roster (four panel roster consisting of two days/two nights – four days off) or a standard 40 hr week.

Reporting to the Electrical Maintenance Coordinator, the primary purpose of this role is to provide continuous maintenance support to ensure optimum availability of plant and equipment is enabled to meet production targets.

The core responsibilities of the role include:
- Prioritise and complete work tasks under limited supervision;
- Providing information, technical support and carrying out requests of the Electrical Maintenance Coordinator;
- Identifying and providing written feedback of work required as a result of maintenance, monitoring and inspections;
- Demonstrating a high level of fault finding skills; and
- Demonstrating a commitment to safety.

To apply for the position you will require:
- Electrical Workers license, Instrument qualifications will also be highly regarded;
- ‘C’ grade drivers license;
- Previous experience in an industrial or mining environment;
- Proven ability to troubleshoot and problem solve;
- Strong communication skills, motivation to work within a team and high attention to detail; and
- Ability to adhere to environmental, OH&S and Company standards and policies.

Please forward your application to HRSouthwest@iluka.com

Confidential enquiries can be directed to the Electrical Coordinator – Trevor Weir on 9780 3414 or the Maintenance & Engineering Manager Andy Holben on 9780 3472.

Applications close COB Thursday, 31 May 2012.

We reserve the right to withdraw this advertisement prior to the closing date.

Unsolicited applications from recruitment agencies will not be accepted.

“We seek to attract and retain the best people while building and maintaining a diverse, sustainable and high achieving workforce. We strive to provide a safe workplace that is free from harassment and discrimination and respect and encourage diversity in a workforce that reflects our communities.”
